Col. Johnson said (in Congress)—
"Who is General Harrison? The son of one of the signers of the Declaration of Independence; who spent the greater part of his large fortune in redeeming the pledge he then gave, of his 'fortune, life and sacred honor,' to secure the liberties of his country. Of the career of General Harrison I need not speak; the history of the West is his history. For forty years he has been identified with its interests, its perils and its hopes. Universally beloved in the walks of peace, and distinguished by his ability in the councils of his country, he has been yet more illustriously distinguished in the field. During the late war, he was longer in active service than any other general officer; he was, perhaps, oftener in action than any one of them, and never sustained a defeat."

Victory! Victory!!

We have neither time nor space to record at length, all the glorious victories achieved by the Whigs, which have been pouring in upon us from all quarters, during the last few days. Suffice it to say, that the people have triumphed over the office-holders, and that the election of Gen. Harrison is sure, beyond the shadow of a doubt! New Jersey has taught those who dared to spurn her great seal, that she is not to be trampled upon with impunity. At the election which has just taken place there, the Whigs carried thirteen out of eighteen counties, and the Legislature will stand fifty-four Whigs to thirty-six Locofocos. In Georgia, we have elected a Whig Governor, nine members of Congress and a majority in the Legislature. In Pennsylvania too, which has heretofore been considered doubtful, the Whigs have done nobly. We have carried both branches of the Legislature, and have thus far gained three and probably four members of Congress, viz: one in Bucks, one in Washington, one in the Huntingdon district, and probably one in the Union District. We have also a chance for another in the Erie district.

The Senate of this State will stand:
Whig, 20
Locofoco, 13
Assembly,
Whig, 52
Locofoco, 48
In Ohio it has been a perfect rout! Corwin, the Whig candidate for Governor, has beaten Shannon, Locofoco, by upwards of 20,000!! Out of nineteen Congressmen, the Whigs have elected thirteen. Dr. Duncan the great champion of Locofocoism has been defeated, and the State is safe for Harrison by at least 25,000 majority. Citizens of Monroe and Pike will you hesitate any longer? The current of popular opinion has set in favor of the Farmer of North Bend. Ohio, the state in which he resides, has rendered her verdict in his favor—the South has given the lie to the charges of abolitionism which have been brought against him by the Locofocos. What confidence can you place in the statements and calculations of the Locofoco papers? Did they not tell you that their party would certainly carry Ohio? What is the fact? Harrisonism has swept the State like an avalanche, and Locofocoism is at its last gasp. Will you go with the people, or the office-holders? Let your votes on Friday next, show that you have the prosperity and happiness of the country at heart.

* We invite attention to the address of the State Committee published in another column. We hope our readers will give it an attentive perusal, and let their exertions on Friday next, give evidence that they have not read it in vain.

Melancholy Accident.

On Saturday morning last Mr. JOHN Z. FLAGLER, of Stroud township, while engaged in raising a stone from a well, was by the breaking of the rope to which the stone was attached, precipitated to the bottom, fracturing his skull in a most dreadful manner. Life was extinct before the body was recovered.

BEWARE OF FRAUD!

HARRISON DEMOCRATS,
of Monroe, Pike and Wayne Counties,
Before you deposit your votes in the ballot box on the 30th, examine them, and see that they contain ALL the names published below, and also that there are NO MORE than 30 names in all upon them. We have heard that the Loco Foco leaders in the Borough of Easton intend to have printed a spurious Harrison Ticket, with more than 30 names upon it. They will try to cheat you in this way, and thus deprive you of your just rights. And if any of our friends discover such tickets in the possession of a Van Buren man, and he attempts to distribute them, he will be doing his duty by discovering his name, obtaining proof, and informing the County Committee.

ANOTHER RAT LEFT THE SHIP.—Maj. Lewis, late fourth auditor, a highly respectable rat in office, has sided with Major Eaton, and bid adieu to Van Burenism. Nearly all the strong friends of General Jackson, who were so at the time of his coming into office, have gone over to the Harrison cause. Amos Kendall and Isaac Hill are among the few cocked hats left, and they hang on only for the three B's—bread, butter, and bitters.—*Morning Herald.*

States certain for Martin Van Buren.—State of Apprehension, State of Perturbation, State of Expulsion, and State of Disgrace. New Hampshire and South Carolina doubtful.—*Times and Star.*

The Harrisburg Keystone says,—“WE HAVE LOST THE SENATE AND POSSIBLY THE HOUSE.” The Keystone is the leading organ of Van Burenism at the seat of the State Government.

To the Democratic Harrison Party of Pennsylvania.

Fellow Citizens:—The undersigned, with unfeigned joy, congratulate you on the glorious result of the struggle which has just terminated! As far as ascertained, it is indeed most cheering. That the voice of Pennsylvania would, at the approaching Presidential Election, be for Harrison and Tyler, no one, who knows the patriotic feelings of her sons, could for a moment doubt. But that, with so little concert of action for, and so little interest manifested in the Election which has just taken place, that election should show beyond question a majority against the corrupt party, that now misrules, is as unexpected as it is decisive. Irrepressible, indeed, must be the spirit, and unalterable the determination of the true Democracy of the Keystone State, when it thus, in advance of the real day of trial, sends forth its voice of thunder to tell to the sister states that Pennsylvania, having overpaid her debt of gratitude to one gallant defender of the country, now hastens to reward another and a no less distinguished.

That this is not mere assertion, but sober truth, the following facts will show. At the election for members of Congress in 1838, eleven Democrats and seventeen Loco Foco Van Buren men were elected. On the 13th inst., the friends of General Harrison have at least, elected THIRTEEN being nearly one half of the whole number, with a prospect of more when all the returns come in!

At the last session of the Legislature the State Senate stood Seventeen Loco Foco Van Buren members to Sixteen Democrats. The returns now in, show that at the next session the parties will at least stand TWENTY Harrison Democrats to thirteen Van Buren men!

At the same Session the State House of Representatives stood about 70 Van Buren men to about 30 Democrats. At the next there is beyond a doubt a majority of Harrison Democrats over the supporters of the Sub-Treasury, low wages, reduced prices, and that general system of bankruptcy which was rapidly covering the land under the administration of Martin Van Buren.

Is not this, indeed, a glorious summing up of one day's work in the East? What will it be when the **AVANCHÉ OF VICTORY** pours down the Alleghany from all the “Green West!”

Fellow citizens. We know that you will acknowledge these things to be true, for you have helped to achieve them. But inasmuch as others may doubt, we quote an authority which all will credit, at least in the present case. The Van Buren State Committee, in an address issued from Harrisburg to their political friends on the 16th inst., speaking of the result of the recent election say: “The federalists may have a majority in one or both of the Houses” of the State Legislature. **THIS ADMISSION SETTLES THE QUESTION OF VICTORY!** Its impudence in calling the supporters of the favorite of Washington, Jefferson, Madison and Monroe—the men who have long contended for the purest Democracy, “federalists,” is, to be sure, unsurpassed in the annals of party perversion of terms. But let it be pardoned, in consideration of the unexpected frankness and honesty of the admission itself!

The undersigned do not say to you, **AROUSE THEN, DEMOCRATIC FELLOW CITIZENS!** for you have shown yourselves to be fully aroused and nobly active! But they say, **DO NOT SLEEP AT YOUR POSTS; SLUMBER NOT AN INSTANT; REST NOT A MOMENT! SPREAD THE GLAD TIDINGS OF YOUR SUCCESS!** See your neighbors. Encourage your friends. Meet each other in County Meetings, as heretofore recommended, on the 24th inst. or some other fit day. Prepare for the 30th, as carefully as if you feared defeat, but in all your exertions bear with you the assurance of **CERTAIN VICTORY.** The object now is not so much the gaining of a majority, as the obtaining of a **LARGE ONE.** Remember, that you have to do with those, who, on more occasions than one, have shown that they can disregard the most solemnly expressed will of the majority, and the most authentic documents, and can carry their oppression so far as to trample on the sacred sovereignty of a free State! Bear this, then, in mind, and let your majority on the 30th, **BE SO GREAT AS TO FROWN DOWN ALL ATTEMPT AT CAVIL OR DOUBT!**

FRIENDS OF THE GOOD CAUSE: Be on your guard against the devices of your opponents to the very last! Go to the polls in the spirit of freemen, determined to exercise your just rights, and to do your utmost to save the Country! Let no cause nor excuse keep you away. Above all things, **EXAMINE YOUR TICKETS, EACH FOR HIMSELF.** Bear in mind the importance of voting the correct one.

JOHN P. WETHERILL, and others.
State Committee.
October 17, 1840.

Another Whig Member.

The Clinton County Whig says,—“We have just read a letter from a respectable gentleman of Clearfield, giving the cheering intelligence that **THOMAS W. LLOYD** has received **SEVEN HUNDRED AND NINETY-FIVE** votes in that county, which ensures his election! The letter states that the vote in Clearfield stands thus:—Walters 1550; Lloyd 795; Gamble 503; Leidy 87. In Clinton, Mr. Leidy is probably ahead of Mr. Lloyd 160 votes, and in Lycoming about the same. If the returns from Clearfield are correct, and they unquestionably are, Mr. Lloyd's majority over Mr. Leidy in the district is not less than **FOUR HUNDRED!** This is a glorious victory!”

Georgia.

We have the returns from all the counties but 4. The final majority of the Whig ticket is likely to range in the neighborhood of 3500 votes.

VICTORY.

MAKE WAY FOR THE KEY STONE.

From the Philadelphia Inquirer.

PENNSYLVANIA!

BOTH BRANCHES OF THE LEGISLATURE WHIG!!

A Whig Gain of Three, and probably Four members of Congress.

We have further returns of the election in Pennsylvania. They continue to be of a highly gratifying character. The WHIGS HAVE UNQUESTIONABLY CARRIED BOTH BRANCHES OF THE LEGISLATURE, AND HAVE THUS FAR GAINED THREE AND PROBABLY FOUR MEMBERS OF CONGRESS—viz: Mr. Ramsey in Bucks, Mr. Lawrence of Washington, General Irwin in Huntingdon District and probably Mr. Merrill in the Union District as noted by us yesterday. We have a chance for another in the Erie District.

SENATE.

The Senate of this state will stand:
Whig, 20
Locofoco, 13

ASSEMBLY.

Whig, 52
Locofoco, 48

The probable result of the popular vote is in our favor, yet from the contrariety of the statements no certain calculation can be made.

The Harrisburg Telegraph extra, dated Thursday evening, says: **Pennsylvania is Redeemed!** The Keystone revolutionized! We have the State Senate, having gained at least Four Senators! the Lower House and three members of Congress.

The same paper holds this cheering language with regard to the popular vote: “As far as heard from, we have gained on the popular vote of 1836 and 1838, about two thousand eight hundred and seventy five.”

VICTORY

HAS AGAIN PERCHED UPON THE STANDARD OF THE WHIGS OF NEW-JERSEY! The “broad seal” has been vindicated, and those who sought to cast dishonor upon the proud escutcheon of our State have been rebuked and humbled. Essex led off in gallant style, with a whig majority of 1746, Morris followed with 196, Passaic 199, Mercer 412, Middlesex 146, Somerset 256, Hudson 204, Burlington 810, Gloucester 514, Salem 112, Cumberland 203, and Monmouth 83, **BEING A WHIG GAIN IN TWELVE COUNTIES,** since the election of 1839, **OF THREE THOUSAND ONE HUNDRED AND THIRTY-FIVE VOTES!** In Cape May, the whig ticket was elected without opposition. In Bergen, Sussex, Warren and Hunterdon, no whig candidates were run. Atlantic is the only county from which we are without returns; we are willing to concede it, however, to our opponents, and we can well afford to do so, having already made the cleanest sweep of the state that was ever accomplished by any party since the days of '76—a sweep, which renders “assurance doubly sure,” that New-Jersey will give her vote for Harrison in November by acclamation.

The parties in the next Legislature will stand as follows:

	Whig.		Van Buren.	
	C.	A.	C.	A.
Bergen,	1	1		
Hudson,	1	1		
Passaic,	1	2		
Essex,	1	5		
Morris,	1	4		
Sussex,			1	3
Warren,			1	3
Somerset,	1	3		
Middlesex,	1	4		
Monmouth,	1	4		
Mercer,			1	2
Hunterdon,				
Burlington,	1	5		
Gloucester,	1	4		
Salem,	1	3		
Cumberland,	1	3		
Atlantic,			1	1
Cape May,	1	1		
TOTAL,	13	41	5	12

Whig majority in Council 8, in Assembly 29, and on joint ballot THIRTY-SEVEN! This ensures the choice of a whig U. S. Senator in place of Garret D. Wall, a whig Secretary of State in place of James D. Westcott, and a whig Clerk in Chancery in place of Stacy G. Potts. Glory enough for one year.—*Sussex Register.*

Brilliant Achievement.—Lieut. Sanders' troop of dragoons lately captured an Indian in Florida, and after examining him, he was first shot and then hung. Why was he not quartered and burnt also? Why stop half-way in the delightful work of mutilating a lifeless body? Verily, the march of civilization is onward.

The Whigs of the EMPIRE STATE to their brethren of NEW JERSEY, PENNSYLVANIA and OHIO. Greeting:

Hold up, boys! Don't pummel the last breath of life out of Locofocoism! We want a lick at it. Easy, there!—*Log Cabin.*

OHIO.

A Whig Majority of 20,000.

The news from Ohio is pouring down upon us like an avalanche. The victorious shouts of the Whigs must ring like a death-knell in the ears of the existing dynasty. How sadly have they been disappointed! Governor Shannon has been writing on to his political friends, and assuring them with the utmost confidence, that the State would go for Van Buren. Immense sums were doubtless bet in some of the States upon the result, and thus, the Van Burenites have lost not only the election, but their money. The Baltimore American of yesterday gives returns from 55 counties, in which the Whig majority is upwards of 17,000 votes. The Whig gain is upwards of 26,000. The New York Express, however, has expressed the news, and thus we have returns from all the counties in the State but 12. The result is glorious beyond parallel.

EXPRESS FROM OHIO.

We have performed, as we promised on Saturday, one of the most extraordinary feats in the way of an Express, ever achieved in this, or any other country. The Election in Ohio closed on Tuesday night, and here, in New York on Sunday, we have two-thirds of the State, and on Monday we are able to publish all but 12 counties, which are chiefly in the most distant corners of Ohio, to express which would have delayed us another day. Our last Express Messenger arrived last night at 11 P. M., quite exhausted with his extraordinary efforts, but freighted with the most glorious news, which he spread far and wide. He sent the news to the editors of the National Intelligencer, and spread it by mail in Maryland and Pennsylvania, and throughout the South. It electrifies the land.

BRING OUT THE BIG GUN.
CORWIN'S MAJORITY OVER

20,000.

THIRTEEN OUT OF THE NINETEEN CONGRESSMEN. WHIG MAJORITY ON JOINT BALLOT. TAPPAN AND ALLEN DEMOLISHED. DUNCAN DEFEATED.—HARRISON'S own HOME STRAIGHT OUT. THE WHIG GAIN TWENTY-FIVE THOUSAND VOTES.

The result as given in the Express, is a majority for Corwin, in 63 counties, of **NINETEEN THOUSAND THREE HUNDRED AND SEVENTY-EIGHT VOTES.** The counties to hear from, 12 in number, will doubtless increase it to more than 20,000.

Ohio Members of Congress.

There are 19 Congressional Districts in Ohio, of which, in 1838, 11 were Van Buren and 8 Whig. The returns now stand—

1st District—Pendleton, Whig, gain.
2d “ Weller, V. B., re-elected.
3d “ Good, W., re-elected.
4th “ Morrow, W., re-elected.
5th “ Doane, V. B., re-elected.
6th “ Morris, W., re-elected.
7th “ Russell, W.
8th “ Ridgway, W., re-elected.
9th “ Medill, V. B.
10th “ Mason, W., re-elected.
11th “ Cowan, Whig, gain.
12th “ Mathiot, Whig, gain.
13th “ Mathews, V. B.
14th “ Sweeney, V. B., re-elected.
15th “ S. J. Andrews, W.
16th “ Giddings, W., re-elected.
17th “ Coffin, Whig, probable.
19th “ Stokely, Whig, gain.

13 Whigs to 6 Loco Focos. Last year, 8 Whigs to 11 Loco Focos.

From the State Central Committee.

COLUMBUS, OHIO, Oct. 15, 1840.

To the Editors of the Express.
Gentlemen—Our State Elections took place on the 13th inst. Mr. Corwin is elected Governor of this State, probably by a majority of 18 to 20,000.

The enclosed printed statement may be relied on as correct, as far as heard from. When the entire return of votes comes to hand, we will apprise you of the result.

The Harrison and Tyler Electoral Ticket will probably receive a majority in this State of 25,000.

We are, gentlemen, your ob't. serv'ts.

The Boston Post, a locofoco paper, is too fond of a joke to spare even its own party. The following from that journal is not bad:

“Said a whig to a democrat the other day—‘Why is your party like a cropped horse?’ ‘Give it up!’ ‘Because it has lost its **Maine**.’”

AN OMINOUS NAME.—“Chinotia” is the Indian name given to Gen. Harrison, after the battle of Tippecanoe. Its signification is **Bi Wind, or Whirl Wind.** Locofocos, look to the omen!
